LEVIS V2

WIRELESS MOUSE

This Levis wireless mouse new version keeps the elegant and ultra-slim design of the previous version; as its ergonomy, that makes this mouse perfect for both left and right handed.

Its 2.4G wireless technology gives 10 m working rate. And, also, keeping Tacens ecological core idea, Levis V2 has a switch on-off button and standby function for energy saving.

Levis V2 has been designed for professional use, but also for gaming, considering its direct DPI switch 1200/ 2000 and the high quality switches for over 3 million clicks supported.
